

**American
Red Cross**

Martin Luther King Jr. Fire Canvassing Day of Service

Saturday, January 19, 2013

Volunteer Today!

DID YOU KNOW?
65% of home fire
deaths occur in
homes without
a working
smoke alarm?

Spread The Word!

You and your community members will team up to distribute life saving fire safety information to your community.

You Can Help!

The American Red Cross responds to more than 170 fires a day. By spreading the word on fire safety, you can help the effort to reduce this number and help keep people safe.
