

HOW TO GET YOUR "Bobcat"

THE SIGN

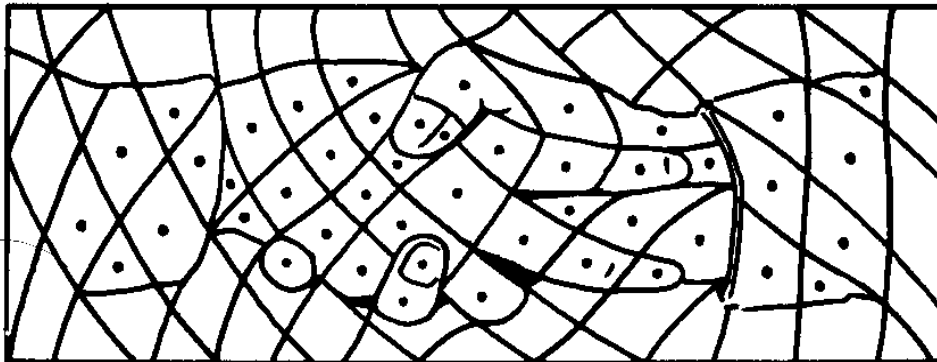

The Cub Scout sign is made with your right hand held high above your shoulder, with the first two fingers forming a "V". This is the sign of Cub Scouts all over the world. The two extended fingers stand for two of the parts of the Cub Scout Promise - To help other people and to obey the law of the Pack.

Color the box that shows the correct sign:

THE HANDSHAKE

To shake hands as Cub Scouts do, hold out your right hand just as you usually would shake hands, but place your first two fingers along the inside of the other fellow's wrist. These two fingers mean that the other Cub Scout helps other people, and that he, too obeys the law of the Pack.

CAN YOU FIND THE HANDCLASP? With a pencil, lightly shade in the space containing dots. Do not shade the spaces without dots.

THE MOTTO

"DO YOUR BEST"

HOLD THIS PAGE IN FRONT OF A MIRROR TO FIND OUT WHAT THE MOTTO IS

Remember that another boy may do something better than you do it, but if you are doing your best you shouldn't be ashamed. Don't be satisfied with anything but your best though. Try to better your own record and make your best better and better.

THE SALUTE

THIS IS HOW THE CUB SCOUT SALUTES. His fingers are held the same way as the SIGN except the first two fingers are held closed. Cubs salute their leaders and other Cub Scouts when they want to show Goodwill and Courtesy.

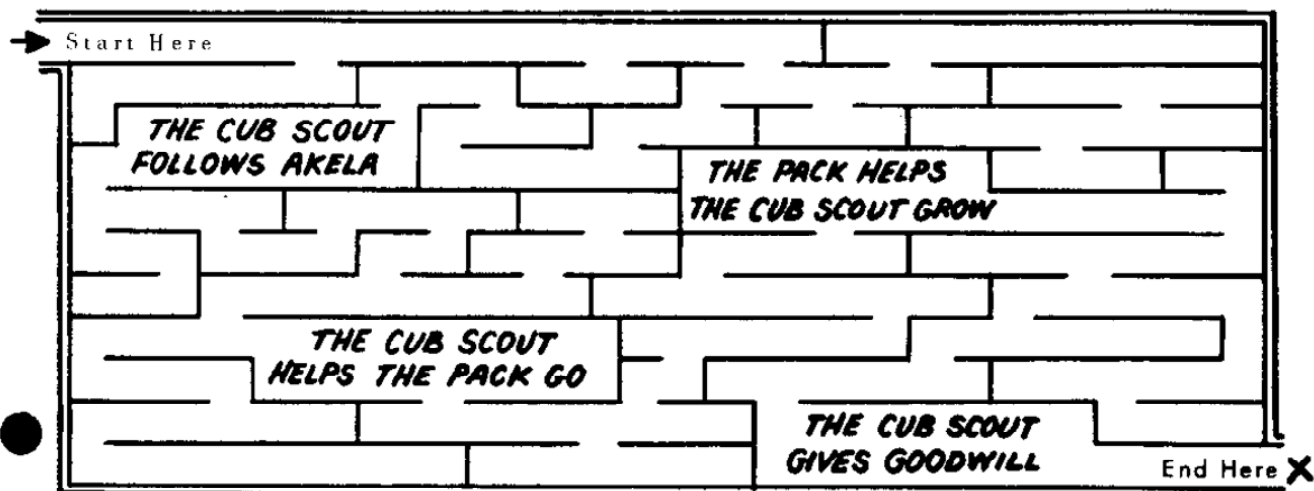

Remember what color the uniform is?

THE PROMISE

I, _____, promise to do my best
To do my duty to God and my Country.
To help other people, and
To obey the Law of the Pack.

This is

THE LAW OF THE PACK

USE A PENCIL TO FIND A PATH THROUGH THE FOUR PARTS OF THE LAW OF THE PACK. CAN YOU DO IT WITHOUT A WRONG TURN?

1. THE CUB SCOUT FOLLOWS AKELA

Who is Akela? In Cub Scouting, Akela means "Good Leader" - your mother and father, your teacher, your Cubmaster, or other people who are willing to help you. Follow Akela

2. THE CUB SCOUT HELPS THE PACK GO

When you become a Cub, you will be a member of a den and a pack. You can't think only of yourself, but you must think of your fellow Cub Scouts. Help your pack go by coming to all meetings, following Akela, and in every way making your pack better because you are in it.

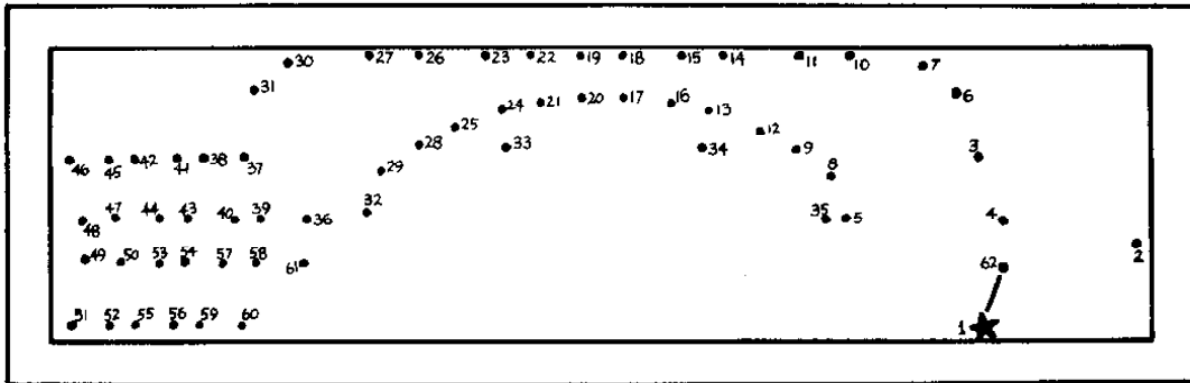

3. THE PACK HELPS THE CUB SCOUT GROW

You are going to have lots of fun. You will learn things from other people, and you will learn to do things with them. If you help the pack go, the pack will help you grow.

4. THE CUB SCOUT GIVES GOOD WILL

You will find that if you smile at your friends, they will smile back at you. Look for things to do for others. Smile and help. These are two good Cub Scout words.

CONNECT THE DOTS. With a pencil begin at number 1 () and connect all the dots in order. When you have finished the puzzle, you will have drawn a Cub Scout badge called the "Arrow of Light".

THE ARROW OF LIGHT

The border of the "Arrow of Light" should be colored blue. The arrow and the rays of light are yellow. Color the background brown.

The meaning of WEBELOS

The name WEBELOS is like the name of an Indian tribe. It is the word to use when you want to talk about all of the boys everywhere who are Cub Scouts. The letters W - B - L - S in WEBELOS stand for We'll Be Loyal Scouts. The highest rank in Cub Scouting is the Webelos Award, and the arrow of light shown above is used for the Webelos Award. The arrow of light stands for progress along the trail from Wolf Cub to Boy Scout.
