OVERNIGHT CAMPING

ABOARD USS SLATER

When you step aboard USS SLATER you are actually stepping back in time. During World War II, 563 Destroyer Escorts battled Nazi U-boats on the Atlantic protecting convoys of men and material.

In the Pacific they stood in line to defend naval task forces from Japanese submarines and Kamikaze air attacks. Today, only one of these ships remains afloat in the United States, USS SLATER.

PLAN OF THE DAY

Please be advised that ALL TIMES ARE APPROXIMATE. Specifics may change due to size and interest of the group, weather, and time of arrival. If your group is going to be late please let the staff know ahead of time so we may plan accordingly

1700 (5:00 pm) Overnight group arrives. Gather all gear and participants on the wood deck. No one goes aboard the ship without instructions from tour guides. Every minor must return an Authorization Form signed by a custodial parent to USS SLATER staff. Your tour guide will go over the rules and escort you aboard SLATER. You will stow all gear and participate in a fire drill. All snacks are to be stored in the mess deck.

1750 (5:30 pm) Tour of the ship. Your tour guide will show you around the ship explaining how the ship operated and was manned in WWII and postwar. He/She will share stories of the brave men and women who built and served aboard these Trim but Deadly warships.

1815 (6:15 pm) Dinner. Chow will be served on the mess deck.

1900 (7:00 pm) Educational Activity. This activity varies and is dependent on age and interest of the group, allotted time, and weather.

2000 (8:00 pm) Snack Time. Use this time to replenish your fuels. Enjoy the snacks you brought along.

2010 (8:10 pm) Free Time. By far the most popular aspect of the overnight program. Groups will be allowed to explore the ship, train the guns, turn the helm, and peep out portholes. There is a strict rule of no running or climbing. If this rule or any other rules are broken your group will forfeit this time and go to bed early. In case of inclement weather alternative activities will be provided.

2150 (9:50 pm) Tatoo. Time to make your way to the berthing area and get ready for bed.

2200 (10:00 pm). Lights Out. Time for bed. Tour guides will stand watch throughout the night.

PLAN OF THE DAY

0715 (7:00 am) Breakfast served on the Mess Deck. Followed by clean up.

0800 (8:00 am) Bunk Inspection. Every participant needs to pack their belongings and remove them from the berthing compartment. The compartment needs to be left in ship shape, with blankets folded and bunk straps in place.

0815 (8:15 am) Hoist the Colors. All participants will gather at the fantail to hoist the colors and the playing of our National Anthem. At this time ribbons and crew cards will be presented. If you pre-ordered patches and dog tags you will receive them at this time. This is also an excellent time to organize a group photo.

0830 (8:30 am) Ship's Store will Open. The ship's store is an excellent place to purchase souvenirs and SLATER memorabilia. You will have some free time on the ship, be aware that we do need every overnight participant off the ship by 0900.
