A Parent's
Guide to Cub
Scouts &
Pack 232

2025 Edition

Welcome to Pack 232! This guide is designed to be a quick reference to answer most of your questions about Cub Scouts and Pack 232.

Pack 232 is located in Glenmont, NY and has been chartered by the Selkirk Fire Department for over 67 years.

Cub Scouts is a fun program for all elementary aged girls and boys. In Cub Scouts the fun has a purpose: that is, to help reinforce the positive values you want your child to develop – character, leadership, personal fitness, and citizenship. These values are presented in a fun and engaging method. The values that Cub Scouts seek to instill are found in the Scout Oath and Scout Law.

Scout Law

A Scout is trustworthy,
loyal, helpful, friendly,
courteous, kind,
obedient, cheerful,
thrifty, brave, clean, and
reverent.

Scout Oath

On my honor I will do my best
to do my duty to God and my
country and obey the Scout
Law; to keep myself physically
strong, mentally awake, and
morally straight.

How Does Scouting Work?

In Cub Scouts you and your family join in on the program with your child, and you help them along the way. Cub Scouts have a different handbook at each grade level, with Adventures that are age-appropriate. As your child advances through the program they will earn rank badges and other recognition that they can wear on their uniform. As your child grows in Cub Scouting, your role will change with them, from hands-on involvement to guiding and coaching.

The Cub Scouting program takes part on two levels. Your child will be part of a den, a small group of scouts all in the same grade level. Our dens typically meet once a month. All dens, from kindergarten through fifth grade, make up the pack. Once a month the dens come together at the pack meeting. At a pack meeting the scouts play games, work on Adventures, listen to guest presenters, and receive the Adventures and badges that they have earned over the preceding month.

Dens

Lion (Kindergarten) & Tiger (1st Grade) Dens

Cub Scouts who join in kindergarten or first grade join with an adult partner, usually a parent or guardian. An adult is selected to serve as the den leader and they coordinate the meetings. Each adult partner should take a turn assisting or hosting meetings or activities with the den leader. At den meetings the scouts work on Adventures that are found in their handbooks.

Wolf (2nd Grade), Bear (3rd Grade), and Webelos (4th Grade) Dens

Scouts at this age are becoming more independent, and activities are designed to meet their developmental needs. Most dens consist of 2-12 scouts, a den leader, an assistant den leader, and often a den chief (an older Scout who helps the den leader).

The Arrow of Light Scout Den (5th Grade)

The Arrow of Light (AOL) den is focused on preparing the scouts to join Scouts BSA. AOL dens consist of 2-12 scouts, a den leader, an assistant den leader, and often a den chief.

Advancement & Adventures

Advancement

Cub Scout activities are centered on earning badges that are specific to each school grade level. The badge represents a rank. Advance refers to the progress a scout makes toward their badge of rank. All of the activities for each rank are in the Cub Scout handbooks. The badges of rank are:

- Lion
- Tiger
- Wolf
- Bear
- Webelos
- Arrow of Light

Adventures

Adventures are based on different topics such as hiking, nature, science, citizenship, first aid, sports, and more. Adventures are earned as a scout advances toward their badge of rank. Once an Adventure is complete the scout receives recognition in the form of an Adventure Loop or Adventure Pin.

- Lion, Tiger, Wolf and Bear scouts earn Adventure Loops that are designed to be worn on the scout's belt
- Webelos and Arrow of Light scouts earn Adventure Pins that are placed on the Adventure Colors

Den & Pack Den Meetings

Monthly den meetings are scheduled by each den leader. A typical den meeting will focus on one or more of the Adventures found in the scout handbook. Den meetings may be held on week nights or on the weekends depending on the Adventure that the den is working on.

Pack meeting are held monthly during the school year. Meetings are held on the second Thursday of each month, September through May. Our standard meeting location is Glenmont Elementary School. Meeting are usually held from 6:30PM – 7:30PM. Sometimes our pack meetings will be held at different locations and times. If a meeting does not follow the normal meeting schedule parents will be advised of the change well in advance of the meeting.

The monthly den and pack meetings are our baseline schedule. There is also a robust schedule of optional events and activities that each scout and their family can enjoy. The pack also participates in 3-4 summertime events. Many of our scouts choose to attend summer camp at Rotary Scout Reservation.

Scouting America, Twin Rivers Council & Fort Orange District

Scouting America is the national organization that develops and supports the Cub Scout program. It provides charters to communities to operate a Council. Scouting America establishes the rules and regulations of our program.

Councils administer and support the Cub Scout program at a local level. Each council has a volunteer board and a Scout Executive that leads the day to day operation of the council. The council hires staff to provide direct and indirect support to the local scouting program.

Each Council is further subdivided into Districts. Districts provide localized support to Packs and Troops within their territory. Districts have a volunteer committee which supports local programs in the areas of membership, finance, and programming.

Pack 232 is in the Fort Orange District of the Twin Rivers Council.

How Much Does Scouting Cost?

Annual Membership Fee: Each scout must pay an annual membership fee of \$142. The fee is paid upon registration and on each subsequent registration anniversary. The annual fee is paid directly to the Scouting America with a portion going to Twin Rivers Council.

How can you help?

The best way you can help your child in scouting is to work with them on their Adventures. The Scout handbook is filled with age-appropriate actives, many can be done at home. Den meetings tend to focus on those Adventures required to achieve their badge of rank. Parents are encouraged to work on elective badges with their child at home. Make sure to let you den leader know when you complete an Adventure at home.

Pack 232 relies on volunteers to run the Cub Scout program. We can always use more volunteers. Here are some ways you could volunteer:

- Become a Den Leader or as an Assistant Den Leader
- Volunteer to serve as the Cubmaster or as an Assistant Cubmaster
- Help the Pack Committee and step into a vacant committee position or assist a current committee member
- Plan and lead a Pack or Den outing
- Assist with fundraising efforts
- Attend Twin Rivers Council training and share what you learned with the Pack

Fundraising

Pack 232 does not charge annual dues. The annual membership fee you pay goes to fund Scouting America & Twin Rivers Council. Instead of charging dues, Pack 232 raises funds through our annual popcorn sale. Families are expected to help sell popcorn each year. Alternatively, if a family wishes not to participate in the fundraiser they can make a cash donation.

The Pack organizes “Storefront Sales” at nearby stores (i.e. Lowes, Stewarts, Wal-Mart, etc.). Scouts can volunteer for a 2 hour shift and sell popcorn to customers entering or exiting the store. Covering two shifts will usually allow the scout to meet the minimum sales requirement.

New Members

Lion scouts and those scouts who joined the pack in June 2025 or later are not required to participate. However, we do encourage you to participate and help support the pack.

Existing Members

Families with one scout are asked to sell \$300 of popcorn. Families with more than one scout are asked to sell \$450 of popcorn.

Families that don't want to participate in the fundraiser will be asked to make a donation to the pack. Families with one scout are asked to donate \$100. Families with more than one scout are asked to donate \$150.

Scout Accounts, Subsidies, and Scholarships

Pack 232 is committed to making Scouting affordable for all families.

To help reduce the financial burden of activities, the Pack maintains individual Scout Accounts for each youth member. Scouts who go above and beyond in fundraising may receive funds in their accounts as a reward for their efforts. These funds may be spent for Pack 232 scouting activities or District/Council scouting activities like summer camp.

Inquiries about the balance of your scout's account can be directed to treasurer@pack232.com.

For families facing financial hardship, limited scholarships from the Pack are available upon request and review as funds allow. "Campership" scholarships are also typically available from the Twin Rivers Council. For more information on these opportunities, please email scholarships@pack232.com.

Safeguarding Youth Training

Child abuse is a serious problem in our society, and unfortunately, it can occur anywhere, even in Scouting. Youth safety is of paramount importance to Scouting. For that reason, Scouting America continues to create barriers to abuse beyond what have previously existed in Scouting.

Scouting America places the greatest importance on providing the most secure environment possible for its youth members. To maintain such an environment, numerous procedural and leadership selection policies have been developed and provide parents and leaders with multiple online and print resources for all Scouting programs.

All leaders are required to complete an annual Safeguarding Youth Training. All parents are encouraged to take the training. To complete the training online, go to [my.Scouting.org](https://my.scouting.org) and establish an account using the member number you receive when you register for membership.
