Cubmaster's Minute

"Everybody can be great, because anybody can serve. You don't have to have to make your subject and your verb agree to serve. You don't have to know about Plato and Aristotle to serve. You don't have to know Einstein's "Theory of Relativity" to serve. You don't have to know the Second Theory of Thermal Dynamics in Physics to serve.

You only need a heart full of grace, a soul generated by love."

Excerpted from the 1968 sermon "A Drum Major Instinct" by Dr. Martin Luther King Jr.
