DONATION RECEIPT

Pursuant to relevant sections of the Internal Revenue Code, certain donations made to Boy Scout Troop 75 are eligible for tax deduction. To be eligible, the IRS specifies that clothing or other items donated must be in "good used condition or better," with the deduction limited to fair market value. You are responsible for assigning value to the items you donate; Troop 75 will merely assist in identifying auction or insurance values for items deemed by you to be collectable for some other reason deemed by you to be higher than thrift shop value. All tax deductions are subject to applicable law. Troop 75 thanks you for your generosity!
